IMPORTANT NOTES

- See price sheets for pricing information when not shown on door schedule.
- Prices shown are based on information given. Any alterations in material or quantities will automatically alter or void door schedule at B.M.I.'s option.
- All prices are based on unit list prices and are good for 30 days only and subject to correciton for ommissions or errors.
- We are unable to and do not price off plans and specifications.
- This door schedule is the confirmation of your order in respect to both material and price. All information supplied both written (including purchase order, if any) and verbal communications have been interpretated, updated and incorporated into this door schedule.
- Please check all materials and prices for accuracy.
- See catalog and detail sheets for grade information, door schedule qualifications, product standards. For terms and conditions of sale, see current credit application.
